### **Logan County Home Health Named as Prestigious 2014 HHCAHPS HONORS Recipient**

Logan County Home Health has been named a 2014 HHCAHPS Honors recipient, a prestigious award recognizing home health agencies that continuously provide quality care as measured from the patient's point of view.

Established by Deyta, this prestigious annual honor recognizes home health agencies that continuously provide the highest level of satisfaction through their care as measured from the patient's point of view.

Deyta used the **Home Health Consumer Assessment of Healthcare Providers and Systems (HHCAHPS)** survey results from more than 1,800 partnering home health agencies contained in its HHCAHPS database with an evaluation period of April 2013 through March 2014. Deyta identified HHCAHPS Honors recipients by evaluating performance on a set of nineteen satisfaction indicator measures; omitting qualifying, leader, and demographic questions. HHCAHPS Honors recipients include those agencies scoring above the Deyta National Average on at least eighty-five percent, or seventeen, of the evaluated questions. Deyta holds a special recognition, HHCAHPS Honors Elite, to honor home health agencies scoring above the Deyta National Average on one hundred percent, or all nineteen, of the evaluated questions.

"HHCAHPS Honors recognizes agencies who work hard and are dedicated to delivering quality care, and it shows in their patient satisfaction scores. We are honored to be partnered with these top performers," said Kevin Porter, President and CEO of Deyta.

Logan County Health Commissioner, Dr. Boyd Hoddinott, credits the entire Home Health unit with their continuous dedication and caring spirit to being named a 2014 HHCAHPS Honors recipient. He congratulates the staff for a job well done 3 years in a row.
