For Immediate Release

A Message from the Logan County Health District:

A message from Dr. Hoddinott for all Logan County Citizens - "I understand the difficulties that all of us are facing at this time. It is imperative that we follow Public Health guidelines and we are urging adherence to the basic proven measures that have been used in past epidemics. This is a once in a lifetime experience but I am proud to serve this community and show that we are all in this together and we will all get through this."

To help the Medical Community of Logan County any Personal Protective Equipment (PPE) that you are willing to donate may be dropped off at the main entrance of **Mary Rutan Hospital's Logan View (110 Dowell Avenue in Bellefontaine)** The hours of drop off are 8:30 a.m. to 4:30 p.m. We ask that items are bagged or boxed for easy drop-off.

The following new/unused supplies are needed:

- Gloves
- Mask (all types)
- Digital thermometers
- Goggles
- Face shields
- N95 Mask
- Gowns (all types)
- Hand sanitizer

All Items gathered by donation will be shared throughout Logan County to all prioritized groups. Thank you for helping in this effort.
