#### PUBLIC INFORMATION:

- 6 Social Media Posts, Total reach of 14,012
- Situational Report sent to Chamber, Media, Staff, BOH, HCC, HAN
- Call Center: # of calls – 123
- The first Logan County death due to complications from the COVID-19 occurred this last week. He was a male in his 50's

#### STATE INFORMATION:

- Pop-up testing sites and other testing sites for anyone who would like to be tested continue. Information can be found on <https://coronavirus.ohio.gov/wps/portal/gov/covid-19/testing-ch-centers/>.
- ODH Informational calls started on a once weekly basis. The format has changed into submitting questions before the call instead of in real time.
- ODH is working toward implementation of the coronavirus study and will be in the field collecting biological samples starting July 9<sup>th</sup>, in the Central region, which includes Logan County. Postcards have been randomly sent to households. If the household does not opt out, a worker will be coming to the household for a voluntary survey and testing.
