An individual from your child’s team/group/class has recently become ill. **This is not a notice of quarantine**, however an awareness for you to continue to check your child’s temperature and monitor for symptoms on a daily basis.

Symptoms of COVID-19 could include the following:

- Fever
- Cough
- Shortness of breath
- Difficulty Breathing
- Chills
- Muscle aches
- Headache
- Sore throat
- Change in taste or smell

At this time, it is not warranted for your child to be tested for COVID-19. If your child or anyone in the home would develop symptoms, please call your primary care provider, if you do not have one; you may call the Logan County Health District at 937-592-9040 option 1.

**As a reminder:**

- please do not send your child to school/practice when ill (even cold or allergy symptoms).
- continue to wear your mask when in a public place and practice a six-foot social distance to do your part to stop the spread of COVID-19.
