Release #: 2021_4-27

CONTACT: Kelly Reaver, Director of Nursing – (937) 651-6197

For Immediate Release:

The Logan County Health District is now offering both in-vehicle and in-home COVID-19 vaccinations for individuals with mobility issues and those homebound residents of Logan County.

Those individuals interested in getting vaccinated in their vehicle should schedule an appointment at <https://gettheshot.coronavirus.ohio.gov/> . When arriving for your vaccination appointment, please notify parking lot staff that you are here or call (937) 651-6202, and a nurse will come out to the vehicle to administer the vaccine.

Those individuals interested in getting vaccinated in their home should call (937) 651-6244 to schedule an in-home vaccination appointment. In-home vaccinations are available for Logan County residents only.
