

Instructions for Self-Reporting COVID-19 Test Results

Questions? Call Logan County Health District: (937) 592-9040

The Logan County Health District accepts self-reported results from COVID-19 antigen self-tests. The only results required to be reported are positive results.

To report a positive result from a COVID-19 Antigen Self-Test:

- E-mail LCHD at covid19@loganhealthohio.gov
 - Your e-mail must include:
 - Subject Line: Self Report Positive COVID-19 Test
 - Name of person who was tested
 - **GOOD PHONE NUMBER**
 - For a minor, include parent/legal guardian contact information
 - Date of birth
 - Home address
 - Demographics (sex, race & ethnicity)
 - Date symptoms started and list of symptoms (if applicable)
 - Date of test
 - Type of test and test expiration date
 - If there was a known exposure
 - COVID-19 vaccination history (number of COVID-19 vaccinations)
 - Name of school currently attending and if there are other school-age children in the home (if applicable)
 - **PLEASE SEND SEPARATE E-MAILS FOR EACH INDIVIDUAL REPORT!**

Sign up to have COVID-19 test kits shipped to you through the USPS, get additional information and testing resources, and learn how your health insurance can help cover the cost of additional tests at:
